Beijing Excelle Chemical Technology Co., Ltd.

北京优胜力合化工科技有限公司

Beijing Excelle Chemical Technology Co., Ltd. has been specialized in supplying high quality Carbon Black, Silica, Resins, Rubber Chemicals, Synthetic Rubber, and rubber machines as well for tire and rubber industry worldwide. Our factories are located in Tianjin, Shandong, Hebei, Henan, Jiangsu and Fujian province with a separate laboratory and R&D center. Taking advantage of a long-term experience in rubber industry, Beijing Excelle can satisfy your requirements by offering high quality products and all around service.

We are now a reliable supplier audited by SGS. Conforming to our theory of "being trustable and reliable", we have been engaged in building "Excelle" into a well-known supplier brand for global rubber industry through our hard work with passion and faith.

Production Certificated by

Carbon Black

N110, N121, N220, N234, N330, N326, N339, N347, N351, N375, N539, N550, N660, N774

Package: 25/500/1000kg per bag or as required.

Silica (SiO₂)

**FR - 180 P (powder), FR - 180 MP (micro-pearl)
FR - 180 GR (granule)**

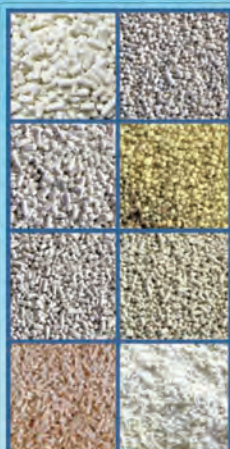

Package: 15/20kg per bag or as per your requirements.

Resin

**PETROLEUM C5, C9
CI - Coumarone-indene resin
Resin 203**

Package: 25kg per bag or as per your requirements.

Rubber Accelerator

MBT (M), MBTS (DM), CBS (CZ), DCBS (DZ), TBBS (NS), NOBS (MBS), TMTD (TT), TMTM (TS), DPG (D), DOTG (DT), ZMBT (MZ), ETU (Na-22), DETU (H), DPTU (CA), DBTU, ZDEC (EZ), ZDBC (BZ), ZBDC (ZB), ZDMC (PZ), ZEPC (PX), TBzTD, TETD (TET), DPTT (TRA)...

Package: 25kg per bag or as per your requirements.

Rubber Antioxidant

TMQ (RD), IPPD (4010NA), 6PPD (4020), BLE, PAN (A), PBN (D), MB, MBZ, MMB, 2246

Package: 25kg per bag or as per your requirements.

Antiscorching Agent

PVI (CTP)

Package: 25kg per bag or as per your requirements.

Master Batch

MBT-80, MBTS-70/75/80, CBS-80, TBBS-80, ETU-75, DPG-80, TMTD-80, ZBEC-70/80, S-50/70/75/80...

Package: 20kg per box or as per your requirements.
